Mark J Olson

Attention: Mr. Mark J. Olson

RE: Recommendation Letter

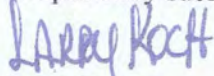

TO WHOM IT MAY CONCERN:

This letter is written on behalf of Mark J. Olson with whom I have worked or known for over 25 years and I can attest to his personal integrity as well as his highest of standards in his professional conduct and knowledge.

Mark has served as a superintendent on over a dozen projects that involved Lakewood Electric Company Inc. while he served as a Senior Superintendent for Saunders Construction Inc. During that time Mark's professionalism was exhibited on all occasions whether it involved sub contractor meetings, meetings with owners or on site communications with other trades. Mark brought a vast knowledge to the table which not only helped his former employer but was a great value to the sub contractors on site. His common sense approach to problem solving along with his great sense of humor helped me on numerous occasions through the years by helping us to adapt on the run when time was of the essence and delays would or could have proved costly for both Lakewood Electric Company Inc. and his former employer. Having worked with an enormous number of general contractor superintendents through the years I would certainly rate Mark in the top five for his professionalism, project knowledge and problem solving skills. His total commitment to project success is unmatched by others in his field.

Please feel free to contact me for further information. I can assure you that the company that adds Mark J. Olson to their team will have added a great asset to their company.

Respectfully submitted,

Larry Koch
General Field Superintendent
Lakewood Electric Company Inc.
